We at the Baw Faw Repeater Group would like to take this opportunity to invite you to become an active member of the group. Our largest expense (70+ %) is the renewal of the Baw Faw Mountain site lease payable to the Weyerhaeuser Company. The site gives us a great coverage area; however the cost for the site is currently \$725 each year. We will be required to negotiate a new lease this year and most likely Weyerhaeuser will raise the annual cost in the new lease term.

Also, we are interested in feedback from you. Are you satisfied with current repeater operations? Are there features you would like to see added to the repeater? We currently have four meetings during the year; do these meetings give you the opportunity to make your views known? Do you have additional comments?

If you chose to join us as a member, the suggested amount remains at \$25 per year. Additional members in the same household do not require a separate membership. We look forward to hearing from you and enjoy the repeater.

Sincerely,
The Baw Faw Repeater Group
